

Hi! I'm Miss McMitchell!

I am **thrilled** that you will be in my class this year! We are going to learn so many new and **exciting** things together. It will be a year full of fun, learning, and adventures. Before we begin our journey together into grade two, I thought that you might like to know a little bit about **me**.

I am very passionate about teaching all subjects, but I must say **Language Arts** is my "FAV." In fact, I love reading and writing even when I am not in school teaching!

Just like you, my second grade year was spent in a small town in Southern Alberta. I learned reading, writing, math, and all the other fun subjects (like about Magnets in Science, and other cities in Social) with some of the same kids that I knew since kindergarten.

I think that it is very important for us to work **together** as a classroom family. We will be spending a lot of time together so it is important to treat each other with **respect, kindness, and compassion**. It is also important for us to get to know each other too! One way we can do this is by having your family respond to the "In a million words or less" prompt I've sent. I cannot wait to **learn about you!**

A few of my favourites:

COLOR: **Purple**

SEASON: Spring! I love the baby birds & flowers.

FOOD: CHOCOLATE!

DRINK: Green tea with **honey**.

SONG: "Holes in the Floor of Heaven" ~ Wariner

BOOK: *Alice's Adventures in Wonderland* ~ Dodgson

SPORT: Badminton

In a MILLION words

... or less

I am so excited to have your child in my class this year! I cannot wait to get started. I am a firm believer in keeping a strong and open line of communication between home and school. After all, we have something so special in common - your child! You are your child's first teacher, and you know him or her better than anyone else in the world. I would love to start the year out with a glimpse into who your child really is. What makes him or her so amazing? What does he or she struggle with? What are his or her hobbies and special talents?

I am asking you to write or email me about your child in a million words or less 😊. This information is confidential, and is for me only. Please note that I am NOT judging your writing. I don't care about spelling or grammar. *I just care about what you have to say.*

Thank you so much for trusting me with your child this year, and for taking the time to tell me about him or her!

Thank you,
Miss McMitchell
